### FEE FOR SERVICE SCHEDULE

Your Natural Family Planning Association (AB) accredited Billings Ovulation Method® Instructor provides you with information that will assist you throughout your entire reproductive life. In addition to the initial instruction, your instructor is available for all future follow-up chart consultations and is always available to answer any questions that you may have. Your instructor has spent many hours studying, preparing for her accreditation exam, has participated in supervised, practical method experience, regularly attends teacher update and keeps current through official bulletins and literature to maintain her high level of understanding and competency in the Billings Ovulation Method®.

#### What is the fee for service and what does this cover?

2.1 The Fee for Service is \$250.00 and breaks down as follows:

\$200.00 for the teacher for teaching services and all follow-up appointments for one year.

\$50.00 Administration fee to cover our office support.

Following the first year of instruction, a refresher fee of \$50 will be charged. This fee will also apply if a client transfers teachers or returns later for additional follow-up appointments.

2.2 It is recommended that the teacher encourage the client to either pay with cash or make out a cheque payable to the teacher. The teacher will send the administration fee along with the Fee for Service Schedule to NFPA (AB) Head Office. All teachers are responsible for their personal financial record keeping.

**Please note: You will be responsible for any NSF cheque charges. Please make cheques payable to your instructor.**

**WILL I STILL BE TAUGHT IF I CANNOT MANAGE A FEE NOW? Absolutely.** If these fees cause undue hardship or concern for any woman/couple, they may be waived at the discretion of the teacher.

**We believe that every woman is entitled to the knowledge of her fertility and reproductive health and no one will be denied instruction.**

***Natural Family Planning Association (Alberta) needs financial resources to continue to provide this confidential service to any woman/couple, regardless of religious, economic, or social status. We welcome all donations over the suggested amount. A tax receipt will be issued for all donations exceeding the suggested Fee for Service.***
